

EC declaration of conformity

MDD: Medical Device Directive 93/42/EEC as amended by Directive 2007/47/EC

(in accordance with ISO 17050-1)

1. Medical Device

Name	Infusion set
Purpose	Single use infusion set for subcutaneous infusion
Class of device(s)	Class IIb according to MDD, Annex IX, rule 8, long-term surgically invasive devices
Device category	Infusion sets for subcutaneous infusion (see product list in Attachment 1)
GMDN code and term	35833 Electric infusion pump administration set

Name	Injection port
Purpose	Single use injection port for subcutaneous injection
Class of device(s)	Class IIb according to MDD, Annex IX, rule 8, long-term surgically invasive devices
Device category	Injection ports for subcutaneous infusion (see product list in Attachment 1)
GMDN code and term	17180 Subcutaneous injection port

2. Manufacturer and European representative

Manufacturer's name	Unomedical a/s
Manufacturer's address	Aaholmvej 1-3, Osted 4320 Lejre Denmark

Other manufacturing sites	Unomedical Devices S.A de C.V Avenida Fomento Industrial, Lot 9, M3 Parque Industrial del Norte Reynosa, Tamaulipas Mexico C.P. 88736
	Unomedical Devices S.A. De C.V. Ave. Industrial Falcon, Seccion 4, Lote 7 Parque Industrial del Norte Reynosa, Tamaulipas Mexico, C.P. 88736

3. Notified body

Number	0459
Name	GMED
Address	1 rue Gaston Boissier 75724 Paris, France

4. Method to demonstrate the conformity of MDD essential requirements

Applicable Directive	MDD, Annex I and Annex II (excluding section 4)
Applicable certificates	EC Certificate no. 9559 issued by GMED ISO 13485:2016 Certificate no. 35117 issued by GMED
Technical file references	Technical file summary 3A09030 neria guard Technical file summary 3A09112 neria Technical file summary 3A09113 neria soft Technical file summary 3A09114 neria multi Technical file summary 3A09115 neria soft 90 Technical file summary 3A09116 neria detach Technical file summary 3A09117 thalaset Technical file summary 3A09122 sub Q infusion set Technical file summary 3A09108 insuflon

5. Declaration of the management concerning the CE marking

The devices meet the essential requirements set out in MDD, Annex I which apply to them and with the corresponding national legislation (Executive Order no. 1263 of 15 February 2008 concerning medical devices). CE marking is in accordance with MDD, Article 17.

This declaration of conformity is issued under the sole responsibility of the manufacturer.

Signed for and on behalf of Unomedical a/s – A ConvaTec Company:
